

JEC Philippines Awarded Contract by B/E Aerospace

20 September 2010

JEC Philippines has been awarded the contract to design, supply and install the mechanical ventilation and air-conditioning systems for the B/E Aerospace located at First Philippine Industrial Park, Tanauan Batangas, Philippines.

B/E Aerospace is the worldwide leading manufacturer of aircraft passenger cabin interior products, for the commercial and business jet aircraft markets. Business segments include consumable management, commercial aircraft and business jets. The contract commenced in September 2010 and is expected to be completed in 2011. JEC Philippines will work hand in hand with Kajima as the developer to achieve the high standard of performance.

The contract was signed by Mr Mark E. Henke, (photo below first from left) Philippine Development Director on behalf of B/E Aerospace together with JEC Philippines General Manager, Mr Guenter Taus (center) and Mr Derek Page, (first from right) UK Trade and & Investment Director as a witness.
