

Montgomery Place Won Best in Technical Award

JEC Philippines would like to congratulate Montgomery Place of Ayala Properties Management Corporation (APMC) for winning the Best in Technical Award under Residential-Horizontal category in 2008.

Montgomery Place is headed by JEC site foreman Mr. Winifredo Bunyi and under the Village Administrator, Architect Princestina Santos. Montgomery Place is part of the 37 sites of APMC under the Operation & Maintenance (O &M) contract of JEC Philippines for 3 years now.

“Best in Technical Award” has been acknowledged and awarded by APMC in cooperation with Home Owners Association Inc. with trophy every year to encourage facilities contractor in performing outstanding job.

Best in Technical Award is one of the few awards APMC is giving to Facilities Maintenance contractor for excellent performance in the following categories:

- On time submission of reports
- On time preventive maintenance performance
- Minimal downtime
- Compliance with ISO procedures
- Innovative ideas
- Strict compliance with Health & Safety procedures

Once again, congratulations and keep up the good work!
